

# HARSHITA SONI

Near DB Mall SVCINN, Gwalior, Madhya Pradesh | harshitasoni947@gmail.com | 6269981083

## SUMMARY

Multidisciplinary learner in Mathematics & Computing, combining analytical depth with creative problem-solving. Contributed to club operations and visual communication in the Aerospace & Automobile Club while exploring intelligent systems and automation through academic work. Known for quick adaptability, strong ownership, and a consistent drive to learn and apply ideas in real-world tech contexts.

## TECHNICAL SKILLS/SOFT SKILLS

Graphic Designer Canva & Figma C++, Python, HTML, CSS, JavaScript Git, GitHub	Basic Front-End (HTML,CSS) Responsive Design Bootstrap Node.js, MongoDB	Marketing & Management Communication Team Collaboration
---	---	---

## PROJECT/EXPERIENCE

Amazon Clone (Frontend)

july 2025

Developed a responsive Amazon-inspired e-commerce interface using modern front-end technologies (React/Next.js). Features include dynamic product listings, category filters, and a clean UI/UX. Currently enhancing the project into a full-stack application with backend integration for authentication, cart management, and payment flow.

AI-Assistant JARVIS

27- April - 2025

voice command-controlled Jarvis, which can open anything in

- browser and scroll down, up, right, left
- Like YouTube, Amazon uses hand movement.
- Can give various data from Wikipedia

- Tech used: Python libraries mainly

- Speech-recognition,tts,webbrowser,

## EDUCATION

College/ Club

Sept 2024 - April 2028

Madhav Institute of Technology & Science, Gwalior (M.P.)

- Major in Mathematics And Computing.
- Thesis on "Exploring the convergence of mathematical models, computational techniques, and intelligent systems shaping modern automation."

Engaged in Aerospace and Automobile Club activities

Sept 2024 - April 2028

Active member of the Aerospace and Automobile Club,

- Applying process engineering principles to real-world mechanical systems and design innovation.

## ADDITIONAL INFORMATION

- **Languages:** English, Hindi, (Basic) Spanish.
- **Certifications:** Web Development IIT GUWAHATI Yhills (2024), Quiztopia (2024), Contribution in Galactic-Pi-rates (2025).
- **Awards/Activities:** Hackathon Tech-Blitz Second Runner-Up (2024), National-Level Hackathon HackOrbit (2025), SpikeVerse 1.0 Volleyball (2024).
